

Ranch Docs Veterinary Services Inc.

Response to COVID-19

UPDATE Apr 28, 2021: Ranch Docs will continue providing curbside services until the end of the summer.

Ranch Docs is currently **open for regular services**. In order to keep our staff and fellow clients safe and remain open to provide the best care for your pets we are moving to **curb-side service and observing social distancing**. We ask that you **call the clinic upon arrival** and we will come get your pet from your vehicle to bring them into the clinic for an examination or treatment. We will also bring out any medications or food to you in your vehicle. **We ask that all pets have collars, leashes and/or are in a kennel**. Please have your pet outside the vehicle when we come to bring them inside.

Payments can be made in clinic (cash, debit, MasterCard, or Visa), over the phone with Visa, MasterCard or pre-payments can be made via eTransfer whenever possible. Unfortunately, we cannot accept PayPal payments.

We thank you for your ongoing support and feel free to contact us at **403-327-4658** or through our contact page or Facebook messenger with any questions or concerns.
